

The African Fair Trade Society will ensure that *deserving people* have a fair chance in life.

Help African Fair Trade Society:

- Invest in public Health and Education.
- Provide medicine Malaria treatment.
- Provide bicycles, school supplies and uniforms.
- Provide food for poor families.

Malaria takes an African child's life every 30 seconds. That's Almost 3,000 per day.

Two million children die from diseases that could have been prevented with a simple \$1 immunization.

One person can not do everything, but you can do something.

The African Fair Trade Society does not believe in using money donated in good faith on administrative costs. We want to help the most people possible - orphans, elderly, and youth in West Africa.

Help The People Of West Africa.
